GOOD LUCK GRADUATES

Every once in a small while someone comes along who truly touches everybody. In Ms Reid, we have found such a person. She has truly inspired us and we cannot begin to repay Ms. Reid for all she has given us mentally and spiritually. We wish through this dedication to pay a love-filled thank you to Ms. Sandra Grayson Reid.

Ms. Reid was born in Yazoo City, Mississippi and has taught in Grenada, Yazoo City, Greenville and Clinton. She has been at HNC since February of 1982. She came here from Wilmington, Delaware where she was a Media Buyer for "The Agency, Inc.," a political consulting firm. Her hobbies and interests include traveling, camping, white-water rafting, reading and just plain "having a good time."

There are times when the mere words 'Thank you' seem so terribly inadequate — that's how I feel now! I guess Dionne Warwick says it all for me in her song, "That's What Friends Are For." Take care and Good Luck!!

FOURTH HALL OF FAME

The following graduates exhibited outstanding scholarship, service and leadership while at our school. They comprise the Academic Hall of Fame.

Roy Cuevas
Melissa Evert
Lisa Lee
Rance Necaise
Bridget Stockstill
Tanya Sulik

Inclusion in the Athletic Hall of Fame is based on enthusiasm for the sport and qualities of good sportsmanship. These people also demonstrated outstanding athletic ability and achieved public recognition for their accomplishments.

Tony Chifici
Tina Necaise

The Mississippi Economic Council has selected James Jacob Dupree as the Star Student of Hancock North Central High. Among his many achievements and awards are Senior Class President, Student Council President and Who's Who Most Likely to Succeed. The Student-Teacher Achievement Recognition Program encourages and promotes academic achievement among Mississippi's high school seniors.

Each Star Student is asked to designate a star teacher; a teacher who has made the greatest contribution to the student's scholastic achievement. Mrs. Betty Allen was selected Star Teacher. Both the Star Student and the Star Teacher will receive certificates from the council, in addition to being eligible for Scholarship competition.

We're Hancock Bank.

In 1899 a group of 19 businessmen sat down to organize the first bank on the western Mississippi coast. They had in mind a bank that would be willing to put faith in the individual. One to work side-by-side with local families to help the young Gulf Coast grow. They founded the Hancock Bank.

Since those days, Hancock Bank has grown to become the Coast's largest

locally owned bank. But we haven't changed that original philosophy.

From helping early shop keepers purchase their first inventories. To multi-million-dollar developments along our industrial seaway. We're still working to serve the individual family and business interests in our area.

We're Hancock Bank. The only bank you'll ever need.
